PRESS RELEASE MINISTRY OF THE ARMED FORCES

Paris, June 13, 2023

The French Ministry of the Armed Forces at Viva Technology 2023

- The French Ministry of the Armed Forces will be at the Viva Technology trade fair 2023, from June 14 to June 17 at the Porte de Versailles exhibition center (Paris 15th district).
- A 1,356 square feet stand will host an area dedicated to the innovative projects of the Ministry of the Armed Forces in various fields: cyber defence, drones, health, etc. A second area will be dedicated to recruitment.
- Defence innovation is in the middle of the 2024-2030 military programming law and the Ministry of the Armed Forces' defence strategy. It is part of an overall approach aimed at constantly modernizing the means of the armed forces, directorates, and services.

For this new edition, the entire defence innovation ecosystem will be on hand to meet professionals from the civilian world and the general public, on Saturday, June 17th.

Innovative projects supported by the French Government Defence Procurement and Technology Agency (DGA), the Defence Innovation Agency (AID), the General Secretary for Administration (SGA), the Cyber Defence Command (COMCYBER), and the Joint Directorate for Infrastructure Networks and Information Systems (DIRISI) will be on display at the stand.

Finally, an area will be dedicated to the **presentation of jobs and careers in defence innovation**, with workshops, events, and round tables. The DGA, SGA, COMCYBER, DIRISI, as well as the Directorate general for Digital Technologies (DGNUM), the Directorate for military intelligence (DRM), and the Joint delegation for Reserves (DIAR) will be present in the recruitment area.
